Community Involvement:

- Participating in the Independence Day city celebration helped to raise over \$800 for Youth for Christ, earmarked for the future Independence High School Director. Thanks Tina Caruso for organizing our efforts!
- Fall Festival Cotton Candy booth (pictured left)
- Holiday Fest Cookie Decorating Station, led by Vaso Suhodolsky, raised funds for Rockside Youth.

Transitioning With Excellence in 2009

After time away at the Heartland Conference Retreat Center to pray, Pastor Donna shared a metaphor of a rest stop and a fleet of buses to explain where we are as a church as we face several changes in key leadership positions (team pastor, tech director, missions director, head usher, first board election).

Through a series of Sunday sermons in October and November, we looked at

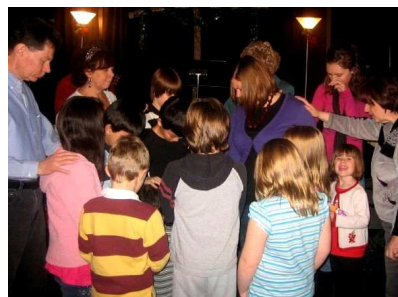

topics to help us chase the vision for Rockside Church together. Topics include:

- Leaning in to Do Change Well
- Dangers of Nostalgia
- Servant Leadership, Practicing for Heaven (Our Design and Our Destiny)
- What's in Your Hand?

Saying Goodbye to Amber Helms

Amber Helms has been a gift to this church over the last two years, serving as Team Pastor. As she follows God on to the next chapter of her life, Amber is leaving Rockside Church better than when she found us in many areas, but especially in prayer, relationships, administration and the sending arm of missions. The church honored her during the service on Sunday, December 13th with words of affirmation, hugs, cards, cake and a new cell phone! She expressed heartfelt gratitude for this place and a final encouragement to continue loving one another.

Let's continue praying for Amber and watch what God has in store for her as her path continues to unfold!

Sending and Receiving in Missions

▲ Patt loves and prays over the Chifundo children

Ancient Path • www.ancientpath.com

Patt Wadenpfehl went to Malawi, Africa in the fall. She lead kid's church prior to her departure, giving our students a chance to hear stories, pray and make cards for the Chifundo children, with whom Patt would be working. Rockside Church was challenged by the stories, pictures and rich ministry Patt presented December 6, ever expanding our worldview. Thanks for your obedience to love and serve people all over the world!

The Reckoning International

Rockside's former worship leader, Dan O'Keefe, received prayer and blessing from Rockside Church before he left with a team to photograph and raise awareness for the people of Kenya. On November 15, Tim Karas joined with Dan to bring a report of the trip. We enjoyed Dan leading worship and sharing his photos, and Tim sharing a challenging message of love. Tim returned the following week to present a "Part 2" of his message.
